Core Group to develop Buttercup Connection

Six people have now come forward, offering to meet to discuss the organisation and how we can best go forward. Issues like: Should there be a membership? Do we have a website? Do we need to raise funds - if so, how? Can we organise ourselves in an Aquarian way? etc., etc. We welcome any ideas and please let us know if you would like to help in some way. (Contact Lynsey on 01684 568800). These thoughts will be discussed at the May Conference.

Visits to Other Areas

If you would like to start a Buttercup Connection group in your area, we would love to visit you and help promote Buttercup activity everywhere. So, it's over to you. Please contact Lynsey if you would like to discuss it with us.

Latest Aims and Objects

We attach our latest updated version for your interest. We like to feel that the Buttercup Connection will always be open to new ideas and would be delighted to hear from you if you have any suggestions.

We hope you will enjoy reading our first newsheet, which we send to you with love, light and balance. Terry Moule, Ann Neate, Tony Neate and Peter Wallace.
